### Description

Ecotech Plc., owned by Dunaújváros Technical College, deals with industrial relations and provides high level technological services. The company supplies custom-tailored solutions in R&D engineering services, joint research projects and laboratory experiments specific by customers. Training programs are based on individual customer requirements regardless whether classroom or distance learning courses are organized (e-learning, distance learning)

### Organization Type

Company

### Organization Size

1-10

### Email

[oszabados@mail.duf.hu](mailto:oszabados@mail.duf.hu)

### Country

Hungary

### City

H-2400 Dunaújváros, Táncsics Mihály u. 1/a. [Google map](#)

### Areas of Activities

**Machine industry (engineering, metal processing etc.)**

**Supplier Industry (plastic, automotive, electronics)**

### Offer

**Offering our product and services, offering free capacities**

Products, Services:

Laboratories:

- Gleeble lab equipped with Gleeble 3800: life span test (Bosch), Surface physic, Metallographic and mechanical material testing, Acoustic diagnostics, Polymer composite

**Knowledge management:**

- Knowledge management systems
- E-learning, M-Learning, developing specifi curriculum
- Letting out multimedia equipped, high tech educational rooms
- Custom-tailored adult education
- Language courses

**Engineering services:**

- Engineering offi with standard engineering design services
- Numerical simulation, Life span tests, Accelerated aging - shakers, climate chamber, material science physics simulation - rolling, welding, heat treatment
- Accelerated creep tests , acoustic and rotating machinery diagnostics

**Know-how and technologies:**

- Technology transfer
- Prototype development
- Knowledge management
- Polymer Composite Technology
- Surface physics, mechanical design
- Numerical simulation, life span research and experiments
- SmartGrid, MicroGrid systems, renewable energy technology
- Data communication and network security
- Business informatics, data mining, customized IT systems

**Cooperation Offered**

1. Technical co-operation
2. Manufacturing agreement
3. Sales / Distribution
