Offer

OFFERING OUR PRODUCT AND SERVICES, OFFERING FREE CAPACITIES

Products, Services:

Laboratories:

- Gleeble lab equipped with Gleeble 3800: life span test (Bosch), Surface physic, Metallographic and mechanical material testing, Acoustic diagnostics, Polymer composite

Knowledge management:

- Knowledge management systems
- E-learning, M-Learning, developing specifi curriculum
- Letting out multimedia equipped, high tech educational rooms
- Custom-tailored adult education
- Language courses

Engineering services:

- Engineering offi with standard engineering design services
- Numerical simulation, Life span tests, Accelerated aging – shakers, climate chamber, material science physics simulation – rolling, welding, heat treatment
- Accelerated creep tests , acoustic and rotating machinery diagnostics

Know-how and technologies:

- Technology transfer
- Prototype development
- Knowledge management
- Polymer Composite Technology
- Surface physics, mechanical design
- Numerical simulation, life span research and experiments
- SmartGrid, MicroGrid systems, renewable energy technology
- Data communication and network security
- Business informatics, data mining, customized IT systems

COOPERATION OFFERED

1. Technical co-operation
 2. Manufacturing agreement
 3. Sales / Distribution
