Country

Hungary

City

Kaposvár, Guba Sándor str. [Google map](#)

Areas of Activities

Machine industry (engineering, metal processing etc.)

Supplier Industry (plastic, automotive, electronics)

Offer

Offering low-voltage and medium-voltage electrical appliances and equipments

Products and services:

D and CH-based fuse-links
serial terminals

Compact transformer stations

Medium voltage and low voltage disconnectors

Engine cases

Low-voltage distribution equipment

Column Switches

Plating

Metalworking

Moulding

Plastics processing

Machining

Powder Coating

Know-how and technologies:

CNC sheet metal working

CNC machining

Welding: aluminum, stainless

Thermosetting plastic production

Electrostatic powder coating

Plating: silver plating, nickel plating, galvanizing

Keywords: CNC Welding plating galvanizing

Cooperation Offered

- 1. Technical co-operation**
- 2. Manufacturing agreement**
- 3. Sales / Distribution**
