Description

Trans-Sped Company Group has been on the logistics market since 1990. In order to provide all-comprehensive logistics services to our clients, the management pays great attention to the development of resources and to the application of new solutions. The improvement of the safety of the goods and the permanent development of the professional knowledge are top priorities. With a nationwide network of offices, with covered warehouse capacities exceeding 170,000 m2, and more than 100 road vehicles we are at the disposal of our clients in a flexible and safe way, offering high-quality services. "Your goods are in good hands with us!"
