### Offer

## Plots in Cegléd Business Park

The Cegléd Business Park 2 area lies next to the E60 international road which will be transformed into a motorway quality four lane road by the spring of 2018.

Therefore the area is subject to real estate appreciation. Municipality of Cegléd took measures in order to develop a new business park with access to all of the public utilities and industrial graded roads that can profit from the national motorway developments.

**We offer pre-agreement talks as regards these areas for business purposes.**
