DESCRIPTION Artena Furniture is a trade company owned by Transylvanian Furniture Cluster. The main goal of Artena`s staff is to provide support for the thirty six SME`s that are members of the cluster. Artena aims to undertake economic activities to support the achievement of the objectives pursued by the Development Strategy of the Competitiveness Pole "Transylvanian Furniture Cluster", consisting in strengthening the economic power of members, increasing the visibility of the furniture industry and economic development of the sector in terms of competition imposed by the market. We run certain types of projects in order to facilitate the disposal of the furniture which is manufactured by the cluster members and thus to contribute to their economic growth and sustainable development. We are constantly developing actions to create solid trade relations both with partners inside the pole and with various other collaborators in order to create and develop commercial relations between furniture producers and business partners abroad
